## Undervalue Specials

One of the greatest pleasures that we derive from Mercantile pursuits is—

### UNDERBUYING and UNDERSELLING

Our buyers on the "ground floor"—on the spot—recently took advantage of the prevailing rates in the big wholesale markets and are highly elated over their heavy purchases of good, seasonable merchandise bought way below regular prices. These Specials, among numerous other things include—

FIGURED AND WHITE LAWNS, LINENS IN WHITE AND COLORS, NOVELTY WHITE SWISSES, WAISTINGS, PIQUES, DIMITIES, NAINSOOKS, TABLE DAMASK, LACES AND EMBROIDERIES, SUITINGS IN SOLIDS, FIGURES AND STRIPES, WHITE DRESS SKIRTS, HAIR GOODS, ETC.

We know that we bought these goods for much less than cost to make, and we assure you absolutely, we will offer you Specials at undervalue prices most thrilling and convincing. We urge you to come early and select the "cream."

MONEY BACK IF NOT SATISFACTORY.

### HIS STUBBLE CAME BACK, HIS CHARM WENT.

We once knew a red-headed fellow with a stiff beard that only shaved once a month. He had a sorry razor. On the first he would shave up and scrape off a cornmeal stubble. For two or three days he was a pretty good looking fellow but for the balance of the month he was off the market.

His stubble came back, his charm went.

MORAL—Get a razor that is a pleasure to shave with and shave often.

Our razors are sold on trial and guaranteed to shave easy and safely in every way. If they don't bring them back.
